

**Telecommunications Programming and Management
Telecommunications 3310
Fall 2008**

Due: Aug. 26, 2008

To enhance the quality of this course, I would appreciate your responses to the questions below. This information will help me to get to know each of you a bit better and make it easier for me to help you as we go through the semester. *Please be honest with your responses. The class TA and I will be the only persons to see them.*

Your name (please print): _____

Last 5 digits of your 810 UGA ID Number: _____

E-mail Address: _____

Local Telephone Number: _____

Program Year (circle one): Freshman Sophomore Junior Senior

What is your major (or the major you are most seriously considering):

1. Briefly discuss your career objectives at this point in your education:

2. Are there any topics or issues you specifically would like to see us cover in this course:

3. What jobs, internships or work experiences have you had?

Please continue on other side

4. Please list any other courses you have taken that might be related to this course.

******5. Is there anything you want me to know about you or your expectations about this class? Please note any course-related special circumstances such as learning disabilities, extra curricular activities, or other issues that you are concerned may affect your performance and of which you want me to be aware. Again, your responses will be held in the strictest confidence.***

6. Finally, you are about to invest 16 weeks of your life in this course in telecommunications. What do you want to take away from this class in terms of knowledge, skills and experience?

Thank You!
